POWERED BY A MERCUISER 300HP 6.2L MPI ECT BRAVO III W/DTS

This Sea Ray SDX 250 Sterndrive is a spacious and elegant boat that combines luxury with performance on the water. Powered by a Mercruiser 300HP 6.2L MPI ECT Bravo III with DTS, it provides a smooth and responsive ride, making it a versatile option for both active water sports and relaxed cruising. The SDX 250 measures 7.77 metres in length and has a beam of 2.59 metres, offering generous space for up to 14 passengers. With a fuel capacity of 246 litres and a water capacity of 76 litres, it is well-equipped for extended outings.

The cockpit is designed for comfort and convenience, featuring high-end finishes, plenty of seating, and ample storage to accommodate all of your gear. The SDX 250 is equipped with modern entertainment systems and advanced electronics, making it perfect for social gatherings or quiet moments with family and friends. The spacious bow seating area, fully equipped head, and extended swim platform add to its functionality and appeal.

This boat is an excellent choice for those who value both luxury and practicality in a vessel. With its expansive interior, reliable sterndrive system, and refined features, the Sea Ray SDX 250 delivers an exceptional experience on the water, whether for active pursuits or relaxed cruising with loved ones.
