Description

Beneteau Flyer 9 Spacedeck In Stock - Sail Away Price - \$479,000

POWERED BY TWIN MERCURY 250 HP DTS V8 VERADO 4/STROKE COLD FUSION WHITE OUTBOARDS

The Beneteau Flyer 9 Spacedeck is a versatile day boat that perfectly combines style, performance, and functionality for Australian waters. POWERED BY TWIN MERCURY 250 HP DTS V8 VERADO 4/STROKE COLD FUSION WHITE OUTBOARDS, this boat delivers exceptional power and smooth handling, ensuring an enjoyable experience whether you're cruising or engaging in water sports. With a length of 9 metres and a beam of 2.97 metres, it offers a spacious deck that is ideal for socialising and leisure activities.

The deck layout is designed for maximum functionality and comfort, featuring ample seating, large sunbathing areas, and easy access to the water. These features make it perfect for family outings or entertaining friends. The wide walkways and high freeboards enhance safety, while the large swim platform ensures convenient water access. Storage is also well-considered, with plenty of room for all your gear, keeping the space uncluttered and practical for a variety of activities.

The Beneteau Flyer 9 Spacedeck is an excellent choice for those who appreciate both performance and practicality. With a fuel capacity of 400 litres and a water capacity of 100 litres, it is well-suited for extended day trips. This boat provides the perfect balance of style, power, and comfort, making it a great option for those looking to explore Australia's waters and enjoy memorable days on the sea.
