The Bella Veneet Boat Group produces a trio of big-hitting international badges including "Bella", "Flipper" and "Falcon" and through these brands has been awarded "best in boating" and has been building leisure boats from their Finnish homeland for nearly 50 years, they are Scandinavia's leading manufacturer of Power Boats with five domestic production plants generating a mixed fleet of the cruiser, hardtop, day cabin, and open craft.

The flagship of the Falcon fleet provides comfortable travel for up to 9 people. Falcon BR 8 lifts the beauty of modern-day cruising one notch above the usual; the roomy lounge, spacious storage areas, and optional pantry and fridge set you up with a versatile platform to enjoy various activities or simply rest and relax in good company. The top speed of up to 50 knots ensures changes in the scenery at any given moment.

These boats offer a spacious design combined with excellent maneuverability and modern European styling and just the right touches of character, with a sporty approach. Do not let the compact dimensions and low fuel consumption fool you – These are full-blooded day boats, equipped with all the modern conveniences.

The Euro designs incorporate a Speedhull that enables higher speeds and a sporty driving experience under all conditions. The foam-filled monocoque frame construction makes the hull extremely stiff and quiet- which again contributes to excellent drivability and less noise in the cockpit.

The unique layout enables using these boats in various ways to have fun on the water. Socializing, dining, sunbathing, water sports, overnighting, camping, and other activities. Handling is as easy as it can get, and the ergonomics are excellent.

THE PACKAGE INCLUDES PROFESSIONAL ON-WATER TRAINING AND FAMILIARIZATION, NSW REGISTRATIONS AND ENCLOSED WATERS SAFETY EQUIPMENT, AND DOCKING EQUIPMENT INCLUDING ROPES AND FENDERS.
