CALL US TO ADD OPTIONS, ENGINE UPGRADES & TRAILER.THE NEXT GENERATION - EUROPEAN-DESIGNED PLATE ALUMINIUM ALLROUNDER.

THE FUTURE OF ALUMINIUM BOATS HAS BEEN REALISED, THIS MONOCOQUE CHASIS, PLATE ALUMINIUM, FIBREGLASS COCKPIT WONDER RIDES AND IS AS QUIET AS A FIBREGLASS BOAT AND OFFERS THE RIGIDLY and HARD-WEARING, AND LIGHTWEIGHT CHARACTERISTICS OF AN ALUMINIUM BOAT - AN ALL-ROUNDER OFFERING SOMETHING FOR THE WHOLE FAMILY.The Bella Veneet Boat Group produces a trio of big-hitting international badges including “Bella”, “Flipper” and “Falcon” and through these brands has been awarded “best in boating” and has been building leisure boats from their Finnish homeland for nearly 50 years, they are Scandinavia’s leading manufacturer of Power Boats with five domestic production plants generating a mixed fleet of the cruiser, hardtop, day cabin, and open craft.

The time has come to redefine versatile quality boats – the new Falcon C 7 is an excellent choice for both fishing and day cruising. Along with a delicate feel for the water, it comes with a well-thought-out set of standard equipment and smart options. The high-quality soundproofing in both the frame and cabin ensures extremely pleasant noise levels even at a faster pace. The strong keel makes C 7 agile and steady at the same time – both in demanding weather and on a trailer.

These boats offer a spacious design combined with excellent maneuverability and modern European styling and just the right touches of character, with a sporty approach. Do not let the compact dimensions and low fuel consumption fool you – These are full-blooded day boats, equipped with all the modern conveniences.

The Euro designs incorporate a Speedhull that enables higher speeds and a sporty driving experience under all conditions. The foam-filled monocoque frame construction makes the hull extremely stiff and quiet- which again contributes to excellent drivability and less noise in the cockpit.

The unique layout enables using these boats in various ways to have fun on the water. Socializing, dining, sunbathing, water sports, overnighting, camping, and other activities. Handling is as easy as it can get, and the ergonomics are excellent.

THE PACKAGE INCLUDES PROFESSIONAL ON-WATER TRAINING AND FAMILIARIZATION, NSW REGISTRATIONS AND ENCLOSED WATERS SAFETY EQUIPMENT, AND DOCKING EQUIPMENT INCLUDING ROPES AND FENDERS.
