CALL US FOR A FULL LIST OF OPTIONS, ENGINE UPGRADES, AND A TRAILER TO COMPLETE YOUR DREAM BOAT.

The Scout 175 Sport Dorado, equipped with a Mercury 90 HP ELPT Outboard, is a versatile and practical boat, ideal for both fishing and leisure activities. This model is a testament to Scout Boats' commitment to functional, high-quality vessels, bolstered by the reliable performance of the Mercury engine.

**Design and Utility:**With a clear focus on functionality, the Scout 175 Sport Dorado boasts a length of approximately 5.33 metres and a beam of about 2.29 metres. This size offers a good balance of stability and space, enabling comfortable seating and efficient onboard movement. The layout is straightforward, featuring a spacious bow with cushioned seating, suitable for relaxation.

**Performance and Handling:**The Mercury 90 HP ELPT Outboard engine ensures the boat is reliable and fuel-efficient. It provides steady acceleration and can reach satisfactory speeds, suitable for both tranquil cruising and more active fishing outings. The boat's hull design contributes to its stability and ease of handling, making it a suitable choice for both novice and experienced boaters.

**Fishing and Leisure Features:**Designed with fishing in mind, the Scout 175 Sport Dorado is equipped with practical features such as rod holders, live bait well, and ample storage for fishing gear. The deck offers enough space for comfortable fishing, allowing for effortless casting and reeling. These features, coupled with the boat's overall practical design, make it an excellent choice for fishing enthusiasts and for family leisure use.

In conclusion, the Scout 175 Sport Dorado, powered by the Mercury 90 HP ELPT Outboard, stands out as a straightforward, multi-purpose boat. Its blend of simple design, dependable performance, and fishing-oriented features make it a great option for those seeking a versatile marine craft for both fishing and leisure purposes.
