CALL US FOR A FULL LIST OF OPTIONS, ENGINE UPGRADES, AND A TRAILER TO COMPLETE YOUR DREAM BOAT.

The SCOUT 177, equipped with a 90 HP Mercury ELPT Outboard, exemplifies a multifunctional fishing boat that appeals to both avid anglers and those seeking leisure on the water. This model is a testament to Scout Boats' commitment to creating versatile, reliable vessels, and the integration of the Mercury engine enhances its performance and dependability.

**Design and Practicality:** Designed with a focus on utility, the SCOUT 177 measures approximately 5.41 metres in length and 2.31 metres in beam. These dimensions offer stability and space, facilitating comfortable seating and efficient onboard movement. The layout is efficiently planned, accommodating both fishing and leisure activities.

**Engine Performance and Navigation:** The 90 HP Mercury ELPT Outboard motor ensures reliable performance and fuel efficiency. This engine provides smooth power, adaptable for various activities, from peaceful cruising to engaged fishing. The design of the SCOUT 177 contributes to stable and responsive handling, suitable for both novice and experienced boaters.

**Fishing Amenities and Versatility:** The SCOUT 177 is well-equipped for fishing, featuring rod holders, live bait well, and ample storage for fishing gear. The deck layout is spacious, allowing for comfortable fishing, and facilitating easy casting and reeling. These angler-friendly features are integrated into the boat's design, making it ideal for both recreational fishing and family outings.

Overall, the SCOUT 177 powered by a 90 HP Mercury ELPT Outboard is an outstanding fishing boat, balancing functional design, reliable performance, and specialized fishing features. Its combination of an effective layout, dependable engine, and fishing-oriented amenities make it a superb choice for anyone seeking a versatile and capable fishing vessel.
