SCOUT 260 LXF POWERED BY TWIN MERCURY 150 HP XL OUTBOARDS

NEW ORDERS FROM \$366,596

CALL US FOR A FULL LIST OF OPTIONS, ENGINE UPGRADES, AND A TRAILER TO COMPLETE YOUR DREAM BOAT.

The SCOUT 260 LXF, outfitted with twin Mercury 150 HP XL Outboards, is a premier model in the Scout Boats lineup, epitomizing a blend of robust performance, sophisticated style, and multifunctional design. This vessel is crafted for boating enthusiasts who desire top-tier performance in both offshore fishing pursuits and luxurious cruising experiences, bolstered by the power and reliability of dual Mercury engines.

Sleek Design and Spacious Comfort:The SCOUT 260 LXF measures approximately 7.92 metres in length with a beam of around 2.59 metres, offering a stable and roomy environment for a range of boating activities. The design of this boat focuses on elegance and functional space utilization, providing ample seating and a thoughtfully planned deck layout. This layout is conducive to both serious fishing expeditions and comfortable leisure cruising, ensuring a pleasant experience for everyone aboard.

Dual-Engine Power and Exceptional Maneuverability:Equipped with twin Mercury 150 HP XL Outboards, the SCOUT 260 LXF boasts impressive power and efficiency. This dual-engine configuration ensures reliable and smooth acceleration, capable of navigating various marine environments with ease. The combination of these powerful engines with the boat's advanced design leads to superior handling and stability, making it an enjoyable vessel for both experienced sailors and those new to boating.

Advanced Features for Fishing and Leisure:Designed to meet the demands of both avid fishermen and leisure cruisers, the SCOUT 260 LXF includes an array of features to enhance the overall boating experience. It comes equipped with comprehensive fishing amenities, including multiple rod holders, a large bait well, and extensive storage for fishing gear. The deck layout is generously designed, allowing for comfortable fishing and relaxation, and optimizing the use of space for various activities.

In summary, the SCOUT 260 LXF powered by twin Mercury 150 HP XL Outboards is an exceptional choice for those seeking a high-performance boat that excels in both fishing and leisure capabilities. Its combination of sleek design, dual-engine power, and versatile features make it a standout option in the Scout Boats range, ideal for a wide array of maritime adventures.
