Description

POWERED BY TWIN MERCUISER 8.2L MAG HO ECT BRAVO III SeaCore 430HP - SAIL AWAY PRICE FROM \$1,365,258

The SEA RAY 370 SUNDANCER is a luxurious yacht designed for those who seek an exceptional balance of speed, power, and comfort on the water. Powered by twin MerCruiser 8.2L MAG HO ECT Bravo III SeaCore engines, each delivering 430 HP, this yacht offers outstanding performance with smooth acceleration and responsive handling. The advanced propulsion system not only enhances fuel efficiency but also ensures a quiet and enjoyable ride. Whether you're cruising along calm waters or taking on the open sea, the 370 SUNDANCER is built to deliver a superior boating experience.

Inside, the 370 SUNDANCER exudes luxury and comfort, making it ideal for both family outings and business entertaining. The cabin features a refined design with high-quality materials throughout. An inviting salon with plush seating creates a welcoming atmosphere, while the fully equipped galley provides all the essentials for preparing meals onboard. The unique retractable roof allows you to enjoy natural light during the day or the evening ambiance under the stars. With accommodation for up to four guests, the yacht includes a luxurious forward stateroom and a versatile aft sleeping area, ensuring a comfortable and restful experience for all aboard.

The deck of the 370 SUNDANCER is thoughtfully designed for both relaxation and entertainment. The aft cockpit is equipped with a wet bar, grill, and ample seating, making it perfect for hosting gatherings at the marina. Forward, additional lounging areas and a high-quality sound system enhance the outdoor experience, whether you're sunbathing or enjoying an evening under the stars. The yacht also offers easy access to the water, making it ideal for swimming and water sports. With a length of 11.28 metres, a beam of 3.66 metres, a fuel capacity of 946 litres, and a water capacity of 189 litres, the SEA RAY 370 SUNDANCER is crafted to provide an extraordinary boating experience, combining functionality, technology, and luxury in every detail.
