The SEA RAY SLX 260 SURF is designed to offer an exceptional blend of power, performance, and versatility for water sports enthusiasts. POWERED BY A 6.2 LITRE ECT 350 HP BRAVO 4S MERCUISER, this vessel provides the muscle needed for dynamic wakeboarding and water skiing while ensuring a smooth and controlled ride. With its advanced propulsion system and sleek, sporty design, the 260 SURF is engineered to deliver precision handling and responsive steering, making it a standout in its class.

The SEA RAY SLX 260 SURF is equipped with cutting-edge technology that enhances the boating experience, particularly for those who enjoy water sports. The vessel's integrated wakeboarding system allows for customisable wave creation, making it easy to tailor the wake for different skill levels. This feature, combined with the boat's powerful engine, ensures that riders can enjoy a thrilling and safe adventure on the water. The spacious cockpit offers ample seating and storage, providing a comfortable environment for both active participants and spectators.

Measuring 8.0 metres in length with a beam of 2.59 metres, the SEA RAY SLX 260 SURF offers plenty of room for family and friends. Its practical layout maximises space without compromising on comfort, making it ideal for both short outings and extended trips. The boat features a fuel capacity of 284 litres and a water capacity of 30 litres, ensuring that you can enjoy a full day on the water without needing to refuel. Whether you're carving through the waves or relaxing onboard, the SEA RAY SLX 260 SURF promises an exhilarating and luxurious experience, embodying the perfect balance of performance and style that the SEA RAY brand is known for.
