CALL US TO ADD OPTIONS & ENGINE UPGRADES.

The Sea Ray SLX 350 is meticulously designed to offer an exceptional on-water experience with top-notch performance. Powered by twin ECT 6.2L MPI DTS BR3X 300 HP MerCruiser stern drives, this yacht provides a smooth and powerful ride, enhanced by the Joystick Piloting System for effortless manoeuvrability. The SLX 350 incorporates technology to minimise noise and vibration, creating a more enjoyable and quieter experience on the water. The helm is intuitively designed with dual 9-inch Simrad Select Response GlassDash touchscreen display including Mercury VesselView Link Data, making navigation and system monitoring straightforward and user-friendly.

Sea Ray's SLX 350 is crafted with families in mind, featuring a spacious Port Hideaway with the option of air conditioning, an expanded cabin, and plush seating for ultimate comfort. The best-in-class seating layout accommodates up to 18 passengers, centred around a social cockpit area that's perfect for gathering with family and friends. Whether you're out for a day of cruising or entertaining guests at the marina, the SLX 350 provides an unmatched combination of luxury and functionality.

With a length of 10.5 metres and a beam of 3.2 metres, the SLX 350 is designed to offer ample space while maintaining easy handling. The yacht features a fuel capacity of 757 litres and a water capacity of 114 litres, ensuring you have all the essentials for a day or weekend on the water. Sea Ray's commitment to luxury, performance, and innovation is evident in every detail of the SLX 350, making it a premium choice for those seeking a pleasant boating experience. Investing in a Sea Ray means choosing a yacht that not only meets but exceeds your expectations, offering lasting value and exceptional performance across all conditions.
